

DIRECTIONS TO UNIVERSITY OF MARYLAND FROM LOCAL AIRPORTS

Center for Satellite and Hybrid Communication Networks

From Dulles International Airport

Take the Dulles Access Road to I-495 North. In Maryland, I-495 will split into I-270 and I-495 East. Stay in either of the two right lanes to remain on I-495 East (towards Baltimore). I-495 becomes I-495East/I-95 South. Take Exit 25B for Route 1 (South) marked Laurel and College Park. Stay to the right and get on Exit 25B for Route 1 South towards College Park. Proceed approximately two miles South on Route 1 (Baltimore Boulevard). Turn right onto Campus Drive at the traffic light at the North Gate to Campus (red brick gate). Turn right at first yield and proceed to stop sign. Continue straight through stop sign. The A.V. William's Building and the Center for Satellite and Hybrid Communication Networks building will be on your right. (You will see a sign that reads "Engineering Annex Building") The visitor's parking lot will be on your left. Take a ticket when you enter the visitor's lot and bring it to CSHCN for validation. (Cross the street from the parking lot where you see the sign that reads "Engineering Annex Building" and walk along the left side of the building. At the end of the building turn right. The Center is on your right and the A.V. William's Building will be on your left.)

From Baltimore/Washington International Airport

Take Route 46 West to the Baltimore/Washington Parkway (295) going South. Continue South for approximately 20 miles then take the I-95 exit heading North. Continue on I-95 for approximately 3 miles and then take exit 25B for Route 1 South towards College Park. Proceed approximately two miles South on Route 1 (Baltimore Boulevard). Turn right onto Campus Drive at the traffic light at the North Gate to Campus (red brick gate). Turn right at first yield and proceed to stop sign. Continue straight through stop sign. The A.V. William's Building and the Center for Satellite and Hybrid Communication Networks building will be on your right. (You will see a sign that reads "Engineering Annex Building") The visitor's parking lot will be on your left. Take a ticket when you enter the visitor's lot and bring it to CSHCN for validation. (Cross the street from the parking lot where you see the sign that reads "Engineering Annex Building" and walk along the left side of the building. At the end of the building turn right. The Center is on your right and the A.V. William's Building will be on your left.)

From Washington National Airport

Take the George Washington Memorial Parkway North to I-495 North. Follow this for 33 miles to Exit 25B. Take this exit to Route 1 South towards College Park. Proceed approximately two miles south on Route 1 (Baltimore Boulevard). Turn right onto Campus Drive at the traffic light at the North Gate to Campus (red brick gate). Turn right at first yield and proceed to stop sign. Continue straight through stop sign. The A.V. William's Building and the Center for Satellite and Hybrid Communication Networks building will be on your right. (You will see a sign that reads "Engineering Annex Building") The visitor's parking lot will be on your left. Take a ticket when you enter the visitor's lot and bring it to CSHCN for validation. (Cross the street from the parking lot where you see the sign that reads "Engineering Annex Building" and walk along the left side of the building. At the end of the building turn right. The Center is on your right and the A.V. William's Building will be on your left.)
